

Email : sales@machinesequipments.com

Product Name :
Food Laser Marking Machines

Product Code :
MACHEQ-F-M9801047

Description :

Food Laser Marking Machines

Technical Specification :

Usage/Application Coding
Material Stainless Steel
Marking Depth 0.1 mm
Supporting Format BMP
Marking Speed Capacity 8000 mm/s
Offering Laser Ldpe Drip Lateral, Hdpe Pipes, Cables
Voltage 230 Vac
Automation Grade Automatic
Power 300 W
Marking Area 50 x 50 mm

Laser Marking Machines is ideal for Numerous Marking Applications & Hallmark Centers with Life Time Support.
