| Food Semi Automatic Powder Auger Filling Machine | MACHEQ-F-M9801081 |

**Description :**

Food Semi Automatic Powder Auger Filling Machine

**Technical Specification :**

Capacity    1000-2000 pouch per hour
Driven Type    Electric
Material    Stainless Steel
Packaging Type    Motorized
Power Consumption    1000W
Usage/Application    Pharma
Automation Grade    Automatic

Microprocessor based control system provides precise selection and adjustment of fill amounts and machine functioning. This is useful for filling of all types of Powders in Bottles, Jars & Glasses.

**Specifications:**

- Filling Range: 15 gm – 1000 gm  ± 1 – 2 % (Std. 100 gm.)
- Can Fill: Bottles, Jars, Glasses
- Output: 20 - 30 jars/min
- Motor: 0.75 HP, 230 Volts / 415 Volts.
- Dimensions / Weight: 520 x 620 x 750 mm / 200 kgs
