**Product Name :**  
Solar POLY 144CELL 325-350W

**Product Code :**  
MACHEQ-S-M4201002

**Description :**

Solar POLY 144CELL 325-350W

**Technical Specification :**

- Low degradation and excellent performance under high temperature and low light conditions
- Polycrystalline module efficiency up to 18.2%, monocrystalline module efficiency up to 18.9%
- Robust aluminum frame ensures the modules to withstand wind loads up to 2400 Pa and snow loads up to 5400 Pa
- High reliability against extreme environmental conditions ( passing salt mist, ammonia and hail tests )
- Potential induced degradation ( PID ) resistance
- Positive power tolerance of 0~+3%
