Plates Vest Design

Product Code :
MACHEQ-A-M1401007

Description :

Army 600D Polyester Tactical Bulletproof Vest 2 - Side Plates Vest Design

Technical Specification :

This Military style plate carrier is designed based on the mentality of "lighter is better", with a minimum of frills, here are several rows of MOLLE/PALS style webbing with built in matching loop material on the top three rows for the option of attaching patches or ID panels. In designing the quick release vest, the importance of a quickly removing the vest for a soldier whenever required. the key scenarios where this vest is really helpful are, while quickly giving medical aid to a wounded soldier. Made for one size to fit most body types, the shoulder straps are adjustable and integrated elastic side straps keep a snug fit while still allowing for unexpected dynamic motion.
