

Product Name :
Tool Trolley And Cabinets

Product Code :
MACHEQ-H-M3801006

Description :

Tool Trolley And Cabinets

Technical Specification :

The tools trolley is well known for features such as durability, resistance and ease of operation. The tools trolley, made of prime quality steel, is unanimously used across all sectors of the manufacturing industry. Its high quality ball bearing slides enable the users to open its drawers very smoothly, with just one uniform pull. The tools trolley comes with a handle so that the users can carry it from one place to another very conveniently. The drawers have provision to accommodate a large number of accessories very easily, without overcrowding. The superior power coating on the cabinets is not just meant to add to its visual appeal but also meant to impart rust protection.
