

Product Name :
Food Industrial Meat Mixer

Product Code :
MACHEQ-F-M3201012

Description :

Food Industrial Meat Mixer

Technical Specification :

Dual system of mixing paddles
Variable speed of mixing by using inverter
Clockwise and anticlockwise rotations
100% of stainless steel
Manual loading and unloading system
Total capacity [L] – 200, Maximum load [kg] – 160
Installed power [kW] – 3, control: inverter
Supply voltage: 3x400/50, Weight [kg]- 540
