**Product Name :**  
Auto Workshop Hydraulic Jack

**Product Code :**  
MACHEQ-A-M3501025

**Description :**

Auto Workshop Hydraulic Jack

**Technical Specification :**

- Heavy gauge steel side plates prevent twisting
- Front wheels with roller bearings and ball bearing mounted rear caster wheels provide stability and easy maneuverability.
- Heavy duty pumps, rams, and cylinders are precision machined and inspected to ensure long service life and superior performance
- Overload and bypass safety valves prevent the jack from being used beyond its rated capacity and ram over extension
- Foot pump pedal raises the lift arm to the load quickly and "T" handle pumps jack under load
